Unity In The Community Foundation

## And Then There Was Light!

Less than a week after San Nicolas Community Paper posted about the main street light not working, those responsible sent their team to get this done, we tried to follow up with the head of the department to ask what was the main cause of this problem, however did not get any response as yet. We will keep monitoring this situation as we need to be safe, and look out for one another especially in these trying times.

## Local Musicians Demand Answers!

Local musicians/DJ's are feeling targeted with all the restrictions that seem to focus more on not letting them work, than anything else. These musicians have been out of a job for over 7 months, most are not even getting FASE(950) from the government for those who lost their job. So they founded a group called Aruba Entertainment 2020, and finally got the chance to sit with the minister of labour Glenbert Croes to address their concerns and ways to get the ball rolling. We will keep following up to see if this sit down fell on deaf ears.

# San Nicolas Very Own Roberto "Boedoem" Brown

Roberto "Boedoem" Brown is a carnival celebrity. As a kid he always loved carnival and eventually he started designing costumes, headpieces and parade floats. 🎉 He loves recycling and using old costumes to make new ones. One day his daughter asked him to make a costume for her doll. With all his knowledge in the area of carnival he decided to make a carnival doll and has been making them ever since. These dolls bring the biggest cultural event on our island to life. 😊 It's something that gives the visitors a flashback to how we celebrate on our island.

# Get To Know One Of San Nicolas Hidden Gems "Rum Reef"

This week we are featuring the Rum Reef bar right in the heart of Baby Beach & Rodgers Beach. Planning to come to San Nicolas today check it out and ask for Jean Pierre, by the way the food is off the chain....

# HOW TO WEAR A NON-MEDICAL FABRIC MASK SAFELY

[who.int/epi-win](http://who.int/epi-win)

## Do's →

Clean your hands before touching the mask

Inspect the mask for damage or if dirty

Adjust the mask to your face without leaving gaps on the sides

Cover your mouth, nose, and chin

Avoid touching the mask

Clean your hands before removing the mask

Remove the mask by the straps behind the ears or head

Pull the mask away from your face

Store the mask in a clean plastic, resealable bag if it is not dirty or wet and you plan to re-use it

Remove the mask by the straps when taking it out of the bag

Wash the mask in soap or detergent, preferably with hot water, at least once a day

Clean your hands after removing the mask

## Don'ts →

Do not use a mask that looks damaged

Do not wear a loose mask

Do not wear the mask under the nose

Do not remove the mask where there are people within 1 metre

Do not use a mask that is difficult to breathe through

Do not wear a dirty or wet mask

Do not share your mask with others

A fabric mask can protect others around you. To protect yourself and prevent the spread of COVID-19, remember to keep at least 1 metre distance from others, clean your hands frequently and thoroughly, and avoid touching your face and mask.

# True Love

He is 85 and insists on taking his wife hand in hand wherever they go.

I asked, "Why is your wife so distracted, like she wasn't following anyone?"

He replied: "She has Alzheimer's."

So I said, "Will your wife worry if you let her go?"

He replied, "She doesn't remember. She doesn't know who I am anymore, she hasn't recognized me for years."

Surprised, I said, "And still you continue to guide her in this way, everyday? Even though she doesn't recognize you?"

The elderly man smiled and looked into my eyes.

He said, "She doesn't know who I am, but I know who she is. She is the love of my life."
